### SUMMARY

#### Synopsis of Bill

House Joint Memorial 99 requests the Legislative Council to include an examination of the effect of requests for duplicate legislation in a study of the legislative committee system.

#### Significant Issues

Senate Joint Memorial 64, passed during the 2001 regular session requested the Legislative Council to study the committee structure in New Mexico. That study is currently being conducted by staff of the National Conference of State Legislators.

### FISCAL IMPLICATIONS

There is no appropriation contained in the bill for the study. Presumably, the cost of the study would be paid from the appropriation contained in Subsection B of Section 3 of House Bill 1 (Feed Bill) already enacted this session for legislative interim expenses.
